

Indigenous Planning Studio Expression of Interest

The following form is to express your First Nation community's interest in working with the University of Manitoba Department of City Planning and Masters of City Planning students on new or existing planning project that your community has identified as a priority. Most work is done in the Indigenous Planning Studio which runs from September to April. This form provides us with valuable insight on the scope and direction on this potential partnership. Please send this form by email (indigenous.studio@umanitoba.ca) or fax (204-474-7532) by the end of June.

Contact Information

Table with 2 columns: Label (First Nation, Primary Contact Person, Role and Responsibilities) and empty input field.

Your Planning Process

Table with 2 columns: Question (What are your community's planning goals..., How do you envision the Masters of City Planning students..., What kind of mandate or direction do you have to engage in planning?) and Answer area (1., 2., 3., 4., Direction from Chief & Council, Direction from community..., Other (please describe)).

Funding

Has your community received any funding from Indigenous and Northern Affairs Canada (INAC) to engage in community and/or land use planning? <i>We try to stay up to date on INAC funding structures and knowing what kind of funding you have received (if any) helps us understand the scope and direction of your planning project.</i>	INAC – Comprehensive Community Planning (CCP)
	INAC – Land Use Planning (LUP)
	Other (please describe)

Resources

What type of resources might be available to the Masters of City Planning students? Please check all that apply. <i>If your community lacks any of these resources, we can work with you to identify possible solutions</i>	10+ hours of staff time per month to work with students
	Overnight lodging
	Temporary workspace
	Transportation
	Professional consultant
	Other (please describe)
